 NEXT MOBILITY  
UNLOCK YOUR MOBILITY

Brussels

**FLOYA:**  
many mobility options in a single app

Developed by the STIB, Floya lets you combine various means of public, shared or private transport in Brussels: walking, train, streetcar, bus, metro, scooter, bike, car, cab, etc. All the steps are centralized: planning, booking and paying.

Services available near Schaerbeek:

- Car sharing
  - Station based (the car must return to the station): Cambio - *nearest station Docks Brussel*
  - Free-floating (the car must be returned to the zone): Poppy
- Shared bikes:
  - Station based: Villo! (the bike must be returned to one of the Villo! stations) - *nearest stations: Docks & Van Praet*
  - Free floating: Dott
- Shared scooters:
  - Free floating: Dott
