# What happened since last UG

- No Ministerial decree instructing Elia to constitute additional SR volume for winter 2016/17
  - ⇒ No Tender process for winter 2016/17
- Procedure for Constitution of SR for winter 2016/17
  - ⇒ As no instruction by Minister, no launch of Procedure for Constitution by 15/2/2016
  - ⇒ Nevertheless Elia published a report regarding the reactions received during the public consultation regarding that document. (<http://www.elia.be/nl/users-group/Strategic-Reserves-Implementation-Task-Force/Public-consultation>)
- Functioning Rules for winter 2016/17:
  - Proposal submitted to CREG on 08/12/2015
  - Note: even if no tender for new volumes, as there are SR contracted for winter 2016/17, Functioning Rules will be applicable in order to describe the market functioning (detection, triggers, prices...) in case of activation.
  - Currently the approval process of the CREG is still ongoing.
  - ⇒ Task Force iSR foreseen in February had to be postponed.

## What are the next steps ?

- Decision CREG on Functioning Rules 2016/2017
- Next Tact Force ISR planned by 24/4/2016 where:
  - A short feedback on CREG's final decision regarding winter 2016/17 will be given
  - Elia will present a planning as well as a first insight of proposed evolutions topics towards SR for winter 2017/18
  - Stakeholders are welcomed to present their position if desired
