**10/12/2015**

# Experts Group “Implementation Network Codes”

- **26/11: First meeting of Experts Group dealing with topic “Significant Grid Users”**
    - More than 20 experts from different (kinds of) stakeholders, with contributions from:
      - Elia (Limits A-B-C-D)
      - Synergrid (Limit A-B)
      - BOP/CogenVlaanderen/Edora/FEBEG/ODE (Limits A-B-C-D)
      - Febeliec
    - Representatives from FOD/SPF, CREG, VREG, Brugel were present
    - Lively debate and exchange of arguments, with several next steps being identified for different parties.
    - Different positions but a first step in an iterative debate on this important topic.
  - **Next meetings planned on 25/Jan and 26/Feb** about ‘Significant Grid Users’, ‘Connection Process’ and ‘Reactive Power Management and Voltage’.
-
